Hi Nhien,

Please see the flyer for the August 3rd Q3 mixer attached. As I mentioned, in Q4 I plan to change up the format to a sit down, breakfast roundtable meeting possibly at Cross Campus. I'd like to provide the managers with more substance than just networking at that meeting, so ideally we'll focus a conversation around a couple different topics like best practices when dealing with filming/production crews, Downtown's changing resident demographics, or personal safety. I'd like to bring in experts on the chosen topics to talk to the group and answer questions too. Wayne is welcome to come network at the August 3rd mixer and I'd be interested to talk to him about getting involved in the roundtable meeting in the fall.

My best,
Julia
